Sir:

Pursuant to 37 CFR 3.37(b), the UAB Research Foundation, the Assignee of the 100% right, title, and interest in, to and under the above-captioned application, as shown by the assignment from the inventors recorded at the USPTO at Reel 012605, Frame 0064, on February 13, 2002, hereby revokes all previous powers of attorney in this application and hereby appoints Thomas J. Kowalecki, Esq., Reg. No. 32,147, of Frommer Lawrence & Harg LLP, 745 Fifth Avenue, NY NY 10151, tel 212-588-0800, fax 212-588-0500, as attorney in this application, with full power of substitution and revocation, to transact all business in the application with the USPTO, appoint associate attorneys and agents, correspond with the USPTO, and receive the Letters Patent. It is respectfully requested that all communications be directed to his attention. It is also stated that the above-stated Assignee is the Assignee of the application, as shown by the chain of title as recorded at the USPTO, that the Assignee is empowered to take the action stated herein, and that the person who below signs is empowered to act on behalf of the Assignee. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that those statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both under section 1001 of Title 18 of the United States Code, and that such willful and false statements may jeopardize the validity of the application or patent to issue there from or both.

Respectfully submitted,

THE UAB RESEARCH FOUNDATION
